

## GENERAL OCCUPATIONAL TECHNICAL STUDIES

### What is GOTS?

Do you need job skills fast? OCTC offers several diploma programs that can put you on the path to a good-paying job in a technical field. You can also apply the courses you take to an associate degree if you decide to further your

education. Diploma programs are available in Air Conditioning Technology, Construction Technology, Collision Repair, Computer Aided Drafting and Design, Industrial Maintenance and Welding.

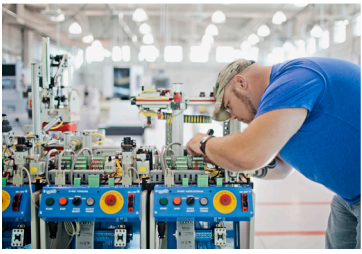

### Job Outlook

Our graduates have the skills for lucrative careers. In Kentucky, air conditioning repair technicians earn an average salary of \$37,550, construction workers earn an average of \$30,086 and

maintenance and repair technicians earn an average of \$28,553.\*

Wages vary based on experience and area of specialization.
